

Dear OCMS Members and Friends,

Our first membership meeting of the year is approaching quickly! We have an excellent speaker, Leslie M. Beitsch, MD, JD, who is coming from the FSU College of Medicine in Tallahassee to give a CME presentation on tobacco cessation. It's a great chance to earn CME credit while having dinner and socializing with your friends and colleagues.

I am also very excited about the sponsors we have lined up so far. I hope they will give you a chance to learn about new services that may enhance your practice and help you serve your patients better. Our OCMS partners--SunTrust, FPIC, and Danna-Gracey--will also be there for you to learn more about discounts you can receive as a member of OCMS.

I'm also very excited about the University Club of Orlando hosting our meeting. We had a lot of positive feedback after holding our fall meeting at the University Club and are pleased to be back there again.

Spouses and non-members are always welcome at our meetings. If you haven't RSVP'd yet, please take a moment to do so today by calling our office at (407) 622-8188 or e-mailing frontdesk@ocms.org.

I hope to see you all there!

Lane Mahood, Executive Director

Welcome New Member!

Lynda Kleiman, MD
Ophthalmology – Cataracts / Cornea
Eye Physicians of Central Florida
